

Aromacalm®

REG. SAGARPA Q-2083-197

First dermo-phthalate-free collar for dogs and cats that present skin disorders related to stress and allergies.

FORMULA

Active ingredients 100% natural, Lavender, white wormwood, Omega 3 essential fatty acids and Omega 6 vegetable oil extracted from hemp.

PRESENTATIONS

Aromacalm® for dogs: 60 cm necklace

Aromacalm® for cats: 35 cm necklace.

INDICATIONS

It is especially recommended for dogs and cats that have skin disorders due to stress or allergies.

ACTIONS

It has a double action: It soothes the animal and softens its skin.

DOSAGE AND ROUTE OF ADMINISTRATION

Place the collar around the neck of the animal, adjust it and cut the excess length. Remove the collar before bathing your pet. Replace it every 4 weeks.

The cat collar contains a system of easy extraction in the event that the animal exerts pressure to remove it.
