

# Cicafolia®

**AUT. SAGARPA 2173/12**

Accelerator of skin repair for dogs and cats.

## **FORMULA**

Water, Melia azadirachta leaf extract, Croton lechleri resin extract, biosaccharide, gum-4, Malaleuca cajuputi oil, oryzanol (rice extract), hexapeptide-3.

## **PRESENTATION**

Bottle with 30 mL

## **INDICATIONS**

Cicafolia is a stimulant of cutaneous repair for dogs and cats, it offers a triple action to create a favorable environment that helps the cutaneous reconstruction; repair, purify and protect. Cicafolia forms an invisible and non-occlusive "patch" forming a protective film that isolates damaged skin from external aggressions.

It soothes skin irritation and is indicated for all types of non-infected skin disorders such as: superficial injuries, first-degree burns. Ideal for postoperative monitoring. It does not bite and dissuade animals from licking the wound.

## **DOSAGE AND ROUTE OF ADMINISTRATION**

Topical, as many times as necessary.
